

# The Armor of Elohim

## *Putting On What YHWH Wore First*

A Teaching Study on Ephesians 6:10-18

Scripture quoted from the World English Bible (WEB), divine name rendered YHWH, Elohim, and Adonai. Torah is referred to throughout as the instructions of YHWH.

### THE HEART OF IT

Most teaching on the armor starts with a Roman soldier. Paul started somewhere older. Nearly every piece he names first appears in the Tanakh, worn by YHWH Himself or by His Messiah.

**The armor of Elohim is His own armor.** When we put it on, we are not assembling religious equipment. We are putting on Yahshua.

### HOW THIS STUDY WORKS

Each piece is taught in four movements: **Where Paul got it** in the Tanakh, **the soldier Paul saw**, **the word behind it** in Hebrew or Greek, and **walking it out**. Each piece closes with questions for reflection or group discussion.

## SECTION I

### The Text

*Finally, be strong in Adonai, and in the strength of his might. Put on the whole armor of Elohim, that you may be able to stand against the wiles of the devil. For our wrestling is not against flesh and blood, but against the principalities, against the powers, against the world's rulers of the darkness of this age, and against the spiritual forces of wickedness in the heavenly places. Therefore, put on the whole armor of Elohim, that you may be able to withstand in the evil day, and, having done all, to stand.*

*Stand therefore, having the utility belt of truth buckled around your waist, and having put on the breastplate of righteousness, and having fitted your feet with the preparation of the Good News of peace; above all, taking up the shield of faith, with which you will be able to quench all the fiery darts of the evil one. And take the helmet of salvation, and the sword of the Spirit, which is the word of Elohim; with all prayer and requests, praying at all times in the Spirit, and being watchful to this end in all perseverance and requests for all the saints.*

**EPHESIANS 6:10-18**

## SECTION II

## Stand Your Ground

Before Paul names a single piece, he gives the posture. Stand against the wiles of the devil (v. 11). Withstand in the evil day, and having done all, stand (v. 13). Stand therefore (v. 14). Four times in four verses. The command is not to charge. **It is to hold ground that has already been won.**

The word Paul uses for wrestling is *pale*, a word for hand to hand grappling. This is not a battle fought from a distance. It is close, personal, and daily.

And Paul names the enemy clearly: not flesh and blood. The spouse who hurt you, the parent who failed you, the coworker who lied about you. None of them is the real enemy. That changes how a believer fights.

### PEOPLE ARE NOT THE ENEMY

When you treat a person as the enemy, you swing at the wrong target and leave the real one untouched. **Forgive the person. Resist the enemy.** Be subject to Elohim, resist the devil, and he will flee from you (James 4:7).

Notice who is writing. Paul called himself an ambassador in chains (Ephesians 6:20). Rome is the traditional setting for this letter, and in Rome he lived under guard with a soldier assigned to him (Acts 28:16). The gear he describes may have been sitting right in front of him.

## SECTION III

## The Armor Was His First

Paul was a student of the Scriptures before he was a student of Rome. Line up the pieces with the Tanakh and a pattern appears: the armor belongs to YHWH and His Messiah before it is ever handed to us.

Paul uses the same language in Romans: put on the armor of light, and put on Adonai Yahshua Messiah (Romans 13:12, 14). The armor is not a set of techniques. **It is Yahshua Himself, worn by His people.** That is why walking in the light and wearing the armor turn out to be the same thing.

#### SECTION IV

## The Belt of Truth

*Stand therefore, having the utility belt of truth buckled around your waist,*  
**EPHESIANS 6:14**

### Where Paul Got It

Paul did not invent this belt. Isaiah saw it first, worn by the Messiah, the Branch from the root of Jesse.

*Righteousness will be the belt of his waist, and faithfulness the belt of his waist.*  
**ISAIAH 11:5**

Before it was ever our armor, it was His. When you buckle on truth, you are wearing what Yahshua wears.

The belt reaches back even further. On the night of the first Passover, Israel ate with their belts on, sandals on their feet, and staff in hand, ready to walk out of Egypt the moment YHWH said go (Exodus 12:11). Elijah tucked up his garment and ran ahead of Ahab's chariot (1 Kings 18:46). Peter carries the same picture over to the mind (1 Peter 1:13). **In Scripture, a fastened belt means ready to move.**

### The Soldier Paul Saw

The Roman military belt marked a man as a soldier on duty. Men of that world wore long tunics, and before running or fighting they tucked the loose cloth up into the belt so nothing tangled their legs. A loose belt meant a man who was not ready.

### The Word Behind It

The Hebrew word for truth is *emet*. It comes from the root *aman*, which carries the idea of being firm, steady, and reliable. *Emunah*, the word for faithfulness in Isaiah 11:5, comes from the same root, and so does the word *amen*. In Scripture, truth is not only a correct statement. **It is something you can put your full weight on.**

Paul's Greek word is *aletheia*. Yahshua used it of Himself: I am the way, the truth, and the life (John 14:6). He used it of the Father's word: Your word is truth (John 17:17).

### Walking It Out

Every other piece hangs from the belt. If truth is loose, everything else starts to slide. The enemy rarely brings a new lie. He repeats old ones until they feel true: you are too far gone, you can never forgive that, that is just who you are. Those lies tangle a believer's legs so he cannot move forward.

Truth is not how you feel about yourself today. It is what YHWH has already said. You will know the truth, and the truth will make you free (John 8:32). Freedom starts at the belt.

**KEY POINT**

Deception is the enemy's first attack because truth is the first piece. His opening move in the garden was a question about what Elohim had said (Genesis 3:1). **He still starts there.**

**For Reflection**

- What lie about yourself have you repeated so long that it feels true?
- Which verse answers that lie directly?
- Where in your life are you not ready to move if YHWH says go?

**SECTION V**

## The Breastplate of Righteousness

*and having put on the breastplate of righteousness,*

**EPHESIANS 6:14**

**Where Paul Got It**

Isaiah 59 describes a nation where truth had fallen in the street and justice was nowhere to be found. YHWH saw there was no one to intercede, so His own arm brought salvation. Then Isaiah shows how He dressed for the rescue.

*He put on righteousness as a breastplate, and a helmet of salvation on his head; and he put on garments of vengeance for clothing, and was clad with zeal as a mantle.*

**ISAIAH 59:17**

A few verses later, the Redeemer comes to Zion for those who turn from their transgression (Isaiah 59:20). The breastplate Paul tells us to put on is the one YHWH wore when He came to rescue a people who could not rescue themselves. **We are not building our own righteousness. We are putting on His.**

**The Soldier Paul Saw**

Roman soldiers in Paul's day wore iron body armor. Mail shirts made of thousands of linked rings were common, and some soldiers wore armor made of overlapping iron bands. Either way, it covered the chest and back, where a single blow could end a life.

There is a second breastplate in Scripture. The high priest wore the breastpiece of judgment, set with stones engraved with the names of the tribes of Israel, and he carried those names on his heart when he went in before YHWH (Exodus 28:29). The Hebrew words differ. Isaiah uses *shiryon*, body armor, and Exodus uses *choshen*, the priestly breastpiece. But both sit over the heart. One guards it. The other carries the people on it.

**The Word Behind It**

The Hebrew word for righteousness is *tsedaqah*: what is right and straight, measured by YHWH's standard, not ours. Abraham believed YHWH, and He counted it to him as righteousness (Genesis 15:6). That same Abraham obeyed His voice and kept His commandments, statutes, and instructions (Genesis 26:5).

**Righteousness begins as a gift received by faith, and it shows up as a life that does what is right** (1 John 3:7).

## Walking It Out

Keep your heart with all diligence, for out of it is the wellspring of life (Proverbs 4:23). The enemy rarely gets through with one big blow. He works through small cracks: a compromise excused, a sin hidden, a grudge kept. Guilt and shame pour in through those cracks until a believer feels too dirty to stand.

The answer is not trying harder to look clean. It is putting on what Yahshua already won, and then walking in His instructions. When you fall, run to Him instead of away from Him. If we confess our sins, He is faithful and righteous to forgive us (1 John 1:9).

### FORGIVENESS AND THE BREASTPLATE

Unforgiveness is one of the widest cracks in the armor. Yahshua tied our forgiveness to our forgiving others (Matthew 6:14-15).

**Pride holds the grudge in place. Humility lets it go.** Forgiveness closes the gap.

## For Reflection

- What small compromise have you been excusing?
- Is there sin you are hiding instead of bringing into the light?
- Who are you still holding a grudge against?

## SECTION VI

## The Shoes of the Good News of Peace

*and having fitted your feet with the preparation of the Good News of peace;*

**EPHESIANS 6:15**

## Where Paul Got It

Isaiah saw a messenger crossing the mountains toward Jerusalem with the news everyone had been waiting for.

*How beautiful on the mountains are the feet of him who brings good news, who publishes peace, who brings good news of good, who publishes salvation, who says to Zion, Your Elohim reigns!*

**ISAIAH 52:7**

Paul quotes this verse in Romans 10:15 for everyone who carries the message. Earlier in Ephesians he told us what that peace is. Yahshua Himself is our peace. He made the two one, broke down the middle wall that divided them, and came preaching peace to those who were far off and to those who were near (Ephesians 2:14-17, echoing Isaiah 57:19). **The good news of peace is the news of a divided people made one under one King.**

Paul ties peace to feet one more time: the Elohim of peace will soon crush Satan under your feet (Romans 16:20). That reaches back to the first promise, that the seed of the woman would crush the serpent's head (Genesis 3:15).

## The Soldier Paul Saw

Roman soldiers wore heavy military sandal boots called *caligae*, with thick leather soles studded with iron hobnails. Those nails bit into the ground and gave grip on rough terrain, and the boots were built for long marches. In close fighting, the man who lost his footing was the man in danger.

## The Word Behind It

Paul's word for preparation is *hetoimasia*: readiness, being prepared to move. The Greek translation of the Old Testament uses the same word in Psalm 89:14 (88:15 in Greek numbering), where righteousness and justice are the foundation of His throne. **Paul's word carries both ideas: ready to move, and planted on solid ground.**

The Hebrew word for peace is *shalom*, from a root meaning whole or complete. Shalom is not just the absence of fighting. It is everything in its right place.

## Walking It Out

Peace is not the absence of battle. It is the ground you stand on in the middle of one. Having been justified by faith, we have peace with Elohim (Romans 5:1), and His peace guards our hearts and our thoughts (Philippians 4:6-7). When your footing is settled, the storm can hit without knocking you down.

These shoes also point outward. As much as it depends on you, live at peace with everyone (Romans 12:18). Blessed are the peacemakers (Matthew 5:9). Unforgiveness makes the ground slippery, and it is hard to carry good news of peace to someone you refuse to release. And shoes are made for walking: be ready to give an answer for the hope that is in you (1 Peter 3:15).

### KEY POINT

**You do not fight for peace with Elohim. You fight from it.** Yahshua already made it.

## For Reflection

- What knocks you off your footing most easily?
- Who do you need to make peace with?
- Where might Yahshua be sending you with the good news this week?

## SECTION VII

## The Shield of Faith

*above all, taking up the shield of faith, with which you will be able to quench all the fiery darts of the evil one.*

**EPHESIANS 6:16**

## Where Paul Got It

Long before Paul, YHWH told Abram, I am your shield (Genesis 15:1). Psalm 91:4 says His faithfulness is your shield, and the Hebrew word there is *amitto*, from *emet*, the same word for truth we met at the belt. Proverbs 30:5 says every word of Elohim is tested, and He is a shield to those who take refuge in Him.

**So the shield is not your faith as a feeling. The shield is His faithfulness, and your faith is the hand that lifts it.**

### The Soldier Paul Saw

Paul's Greek word for shield is *thureos*, related to *thura*, the word for door. This was not a small round shield. It was the large, curved Roman *scutum*, big enough to cover most of a man's body. The Greek historian Polybius described it as two layers of wood glued together, covered with canvas and then calfskin, with iron edging.

Ancient armies did shoot arrows wrapped in burning material. A soldier could crouch behind his *scutum*, and a unit could lock shields together over their heads and sides in a formation called the *testudo*, the tortoise, so the whole group was covered at once.

### The Word Behind It

The Greek word for faith is *pistis*. It means trust, and it also means faithfulness. The Hebrew idea behind it is *emunah*, from the same root as *emet*. The righteous will live by his faith (Habakkuk 2:4), and Paul quotes that verse more than once. **In Scripture, faith is not a mood. It is steady trust that keeps holding on.**

The phrase translated above all is often understood as in addition to all these. The shield is taken up along with every other piece, in every situation.

### Walking It Out

Fiery darts come fast and without warning: a sudden doubt, a wave of fear, an accusation, a temptation, a thought that is not yours. Psalm 64:3 describes enemies who aim bitter words like arrows. You do not have to stop and argue with every one. You lift the shield and set what YHWH has said and done between you and the dart.

Feed your faith, because faith comes by hearing the word (Romans 10:17). Rehearse His faithfulness in your own story, because the saints overcame by the blood of the Lamb and the word of their testimony (Revelation 12:11). And do not fight alone. Stay close to believers who will stand with you (Hebrews 10:24-25).

#### KEY POINT

A lone shield covers one man. **Locked shields cover a whole unit.** The shield was never meant to be carried in isolation.

### For Reflection

- Which fiery dart hits you most often?
- Name three times YHWH proved faithful to you.
- Who are you standing shoulder to shoulder with right now?

#### SECTION VIII

## The Helmet of Salvation

*And take the helmet of salvation,*  
**EPHESIANS 6:17**

## Where Paul Got It

We met this helmet in Isaiah 59:17, on the head of YHWH as He came to rescue His people. Paul did not only borrow the idea. The words he uses for helmet of salvation match the words of the Greek translation of Isaiah in that verse.

Paul uses the helmet again in 1 Thessalonians 5:8, where he calls it the hope of salvation. He writes that just after describing the day Yahshua returns at the trumpet and the dead are raised (1 Thessalonians 4:16-17). **The helmet looks forward.**

## The Soldier Paul Saw

The Roman helmet, the *galea*, was made of bronze or iron, with hinged cheek pieces to protect the face and a guard at the back to protect the neck. A soldier could survive many wounds, but a blow to the head was often the end.

## The Word Behind It

The Hebrew word for salvation in Isaiah 59:17 is *yeshuah*: rescue, deliverance, victory. It is the word Moses used at the Red Sea when he told Israel to stand still and see the salvation of YHWH (Exodus 14:13). The name Yahshua is built on the same root, and the angel said He would save His people from their sins (Matthew 1:21).

**When you put on the helmet of salvation, you are covering your mind with what His name means.**

## Walking It Out

The mind is where many battles are won or lost. The enemy whispers: you are still guilty, nothing will ever change, Elohim is done with you. Those thoughts aim straight at the head. The helmet answers with three truths.

**You have been rescued.** There is no condemnation for those who are in Messiah Yahshua (Romans 8:1). **You are being delivered.** You are transformed by the renewing of your mind (Romans 12:2). **You will be raised.** Your future is secure at His return.

So take every thought captive to the obedience of Messiah (2 Corinthians 10:5). When a thought comes, check it against the word. If it does not line up, it does not stay. Then fill that space with whatever is true, honorable, pure, and lovely (Philippians 4:8).

### KEY POINT

Condemnation is aimed at the head because a wounded mind stops fighting. **Salvation is the covering that answers it.**

## For Reflection

- What thought keeps coming back to you?
- Does it line up with what Scripture says?
- How does the hope of His return change how you think today?

## SECTION IX

## The Sword of the Spirit

*and the sword of the Spirit, which is the word of Elohim;*

**EPHESIANS 6:17**

### Where Paul Got It

In Scripture, this sword comes out of a mouth. YHWH made His Servant's mouth like a sharp sword (Isaiah 49:2). The Branch strikes the earth with the rod of His mouth and slays the wicked with the breath of His lips (Isaiah 11:4), the same chapter where we found the belt. YHWH says He cut down the rebellious by the words of His mouth (Hosea 6:5). And when John saw Yahshua return, a sharp sword came out of His mouth (Revelation 19:15).

**The sword of the Spirit is the word spoken.**

### The Soldier Paul Saw

Paul's word for sword is *machaira*, a shorter blade suited to close fighting, like the Roman *gladius*. A later Roman writer, Vegetius, described recruits practicing strikes against a wooden post with training weapons heavier than real ones, so the real sword felt light in battle.

### The Word Behind It

Paul had two common Greek words for word: *logos* and *rhema*. He chose *rhema*, which usually means a spoken word. Yahshua used the same word in the wilderness.

*It is written, Man shall not live by bread alone, but by every word that proceeds out of Elohim's mouth.*

**MATTHEW 4:4, QUOTING DEUTERONOMY 8:3**

Notice where Yahshua went every time. All three answers came from Deuteronomy (8:3, 6:16, 6:13). **He fought with Torah, and He spoke it out loud.**

Notice something else. The enemy quoted Scripture too, pulling Psalm 91 out of its setting (Matthew 4:6). Knowing verses is not enough. We have to know what they mean in context.

### Walking It Out

The sword is the one piece made for striking, but it only works in your hand, not on the shelf. Read it. Hide it in your heart so it is there when you need it (Psalm 119:11). Then speak it when the attack comes, the way Yahshua did.

The word of Elohim is living and active, sharper than any two-edged sword, and it discerns the thoughts of the heart (Hebrews 4:12). That means it cuts us first. Let it correct you before you swing it at anything else. And train before the battle. The recruit who practiced with the heavy weapon was ready when it counted.

#### KEY POINT

Three temptations. Three answers. Every one from the instructions of YHWH, and every one spoken. **The sword works when it is in the mouth.**

## For Reflection

- What verse would you reach for in your biggest battle right now?
- Do you know that verse in its context?
- What has the word corrected in you lately?

## SECTION X

## Praying at All Times

*with all prayer and requests, praying at all times in the Spirit, and being watchful to this end in all perseverance and requests for all the saints:*

**EPHESIANS 6:18**

### Where Paul Got It

When Amalek attacked Israel, Joshua fought in the valley while Moses stood on the hill with his hands raised. As long as Moses' hands were up, Israel prevailed. When they dropped, Amalek prevailed. So Aaron and Hur held his hands up until sunset, and the battle was won (Exodus 17:8-13). **The fight in the valley and the prayer on the hill were one battle.**

Isaiah 62:6 speaks of watchmen YHWH set on the walls of Jerusalem who would never be silent day or night. In Gethsemane, Yahshua told His disciples to watch and pray so they would not enter into temptation (Matthew 26:41).

### The Soldier Paul Saw

A Roman camp kept watch through the night in shifts. Polybius describes a watchword passed through the camp each night, and harsh punishment, even death, for a sentry who failed his watch. Armor did a sleeping soldier no good.

### The Word Behind It

The Greek word for being watchful is *agrypneo*, which literally means to stay awake, to go without sleep. The word for requests is *deesis*, specific needs brought before Elohim. This is not vague prayer. It is alert, specific, and it keeps going.

Then read the next two verses. Paul, in chains, asked them to pray for him. He did not ask for release. He asked for boldness to open his mouth and make the good news known (Ephesians 6:19-20).

### Walking It Out

Prayer is how a believer puts on every other piece and stays in contact with the Commander. It is relationship, not ritual. Start the morning by putting on each piece in prayer. Talk to Him through the day in short, honest words. End the night with Him.

And remember Moses. Someone you know is fighting in the valley right now. Be the one who holds up their hands. Pray for the saints by name, and ask others to pray for you.

**KEY POINT**

**Prayer is not a seventh piece of armor. It is how you put on the other six.**

**For Reflection**

- Who is in the valley right now that you can hold up in prayer?
- Is your prayer life steady, or mostly saved for a crisis?
- What would it look like to pray for boldness instead of escape?

**SECTION XI****Checking What Gets Repeated**

Popular teaching on the armor often repeats details that do not hold up. Where Scripture and history stop speaking, we should not fill the gap and call it fact. Here is what this study deliberately left out or held loosely.

- **Soaked shields.** It is often said Roman soldiers soaked their shields in water before battle to put out flaming arrows. We could not find an ancient source that says this, so it is not taught here.
- **One kind of armor.** Many teachings picture every soldier in segmented iron plate. Mail armor was at least as common in Paul's day.
- **Famous quotes.** Devotional material often attaches quotes to well known teachers without any source. Scripture is the stronger witness, so this study stays with it.
- **Where Paul wrote from.** Ephesians says Paul was in chains, and Rome is the traditional setting, but the letter does not name the city. We hold that loosely.

**SECTION XII****Walking It Out This Week**

One piece a day. Small enough to actually do.

- 1 Belt.** Write down one lie you have been believing and one verse that answers it. Read the verse out loud morning and night.
- 2 Breastplate.** Ask Yahshua to show you one small compromise you have been excusing. Confess it and take one step to close that crack.
- 3 Shoes.** Ask Him to bring to mind one person you need to make peace with. Take one step: a prayer of release, a text, or a call.
- 4 Shield.** Write down three times YHWH was faithful to you, and share one of them with someone.
- 5 Helmet.** Catch one thought that keeps coming back. Find a verse that answers it and replace the thought every time it returns.

**6 Sword.** Pick your biggest battle, find one verse that speaks to it, memorize it, and say it out loud when that battle shows up.

**7 Prayer.** Choose one person to hold up in prayer every day, and start each morning by praying through the full armor.

### PUTTING ON THE ARMOR

*Yahshua, I come to You as my Commander. Today I put on Your whole armor. I buckle on Your truth. I put on Your righteousness over my heart. I stand in Your peace, ready to go where You send me. I lift the shield of faith against every fiery dart. I cover my mind with Your salvation. I take up Your word as my sword. Keep me awake and watchful. Teach me to pray at all times, not only in crisis. Show me who to hold up in prayer today, and give me boldness to speak Your good news. Amen.*
